PAPER HOT CUPS

Features an innovative triple-wall corrugated design that keeps hot beverages warm while eliminating the need for separate sleeves and protecting hands from high heat.

Equipped with snug-fitting, BPA-free polypropylene (PP) lids that seal tightly to prevent spills during travel or daily commutes.

The ribbed outer wall offers an ergonomic, slip-resistant surface for a comfortable and secure hold on the go.

Packaged with matching cups and lids in one convenient set, providing an all-in-one, ready-to-use solution for home, office, or catering needs.
