

PRODUCE & MARINADE BAGS

Engineered with micro-perforations to control air and humidity, keeping fruits and vegetables crisp, fresh, and vibrant for longer.

Features a durable double-zipper closure that locks in freshness, prevents leaks, and secures contents during transport and storage.

Designed for multiple uses to help reduce single-use plastic waste while maintaining reliable strength for everyday produce storage.

Crafted from food-safe, non-toxic materials, ensuring a healthy and reliable choice for storing fresh produce.

Equipped with an airtight double-zipper closure that securely locks in marinades and liquids, preventing messy leaks and spills in the refrigerator.

Features an expanded base that allows the bag to stand upright independently, making it effortless and hands-free to pour liquids and load meats.

Made from durable, non-toxic materials, ensuring a healthy and reliable choice for soaking meats, poultry, seafood, and vegetables.

Specially engineered for quick, hassle-free opening without tearing, providing convenient access during meal preparation.
